Hello people!

My name is Lucas and i've been on the Netflix Business for quite a long time!

It has changed a lot over the years, and after fighting for a long time against all the problems that carries having bans and accounts that stop working, dealing with replacements, etc! I have come with a couple of Methods that are really great!

What do i have to Offer?

Netflix METHODS TO make Accounts using GIFT CARDS.

Accounts made with GIFT CARDS, have NO BAN RISK!! Build your business with no problems!

How is this possible? Well, I take advantage of the fact that in some countries netflix is cheaper than in other countries! Plus I have access to cheap gift cards from those cheap countries.. You doing the math?

Aside from that, I also have a couple Methods for taking even MORE out of those GIFT CARDS!

What is GREAT about this type of Netflix Business is that account get to be REALLY CHEAP per month of premium, compared to others that are CRACKED or TRIALS, which SUCK.

And the other great thing is that: ACCUONTS MADE WITH GIFT CARDS HAVE ZERO, COMPLETELY NO BAN RISK! They will work like a clock till suscription ends!

I have been working with this kind of way of making Netflix ACCS for more than a YEAR, but its not very popular on the english market. So i want to offer it here!

What do I teach?

-METHOD you can apply on ANY netflix gift card worldwide (This has great value and you will keep forever). With this trick you will have A LOT MORE of netflix time from each gift card!!!

-METHOD to make 4 month account with gift card for about \$14

-METHOD for 3 months, 4 months, 6 months accounts!

GIFT CARDS CAN BE USED ON ANY COUNTRY AND SAME WITH ACCS
*WE ARE ALWAYS TALKING ABOUT PREMIUM 4K NETFLIX PLAN

ALL 3 METHODS COME INCLUDED WITH THE FOLLOWING PRICE! AND YOU HAVE
LIFETIME SUPPORT

PRICE IS \$20

For some people, Price can be a little high? Why am i charging this? Well, if you are in the Netflix business, then you know its actually CHEAP for something that will let you build your business with NO PROBLEMS on accounts.. Netflix Business is a GREAT BUSINESS, no other business have MORE DEMAND THAN IT (except drugs)..

So \$20 is actually very little, if you are smart you will make that profit on the first day of selling your accounts!

I Teach everything, also give recommendations that I myself apply, as well as include my LIFETIME SUPPORT for you!

I have a ***** Server where i have many other clients and vouches, but I know its against the rules posting it here, so I am willing to make a discount to a really REPUTABLE member in order for him to vouch my post here! I would say %50.

I take PAYPAL, BTC and LITECOIN !!

SEND MP TO DO BUSINESS

WARRANTY AND TERMS OF SERVICE:

I give total Warranty that method works 100% and you will be able to create the account exactly with the specs I specified before.

For the total try of the method you will need a Netflix Gift Card, which you can buy from me or from any of the sites i will recommend to you with the purchase of the method.

If Methods happen to change, ANY MEMBER WHO BOUGHT MY METHODS IS ENTITLED TO GET UPDATED METHODS FOR FREE.

Please feel free to ask any question, im a legit and honest seller and i always look into doing business on the LONG TERM with good people!
