Hackforums Magazine Recruitment

Bring HF the news!

Hackforums Magazine is a monthly magazine published on the forums covering the latest news in different fields. It is 100% written, designed and published by the Hackforums community.

We cover the latest updates in Sports, Anime & Manga releases, Science & Technology, World News, Internet Security and more!

By joining the Hackforums Magazine team you will also be invited to the official group Pink LSZ group!

So post your application and we will get back to you!

Recruitment

We are looking for Writers.

Writers

As a writer you will be in charge of a segment, you will have to write two articles per month that will be published in the magazine in your section (sports for example). This means you have to research, outsource images and write your articles. Good spelling and writing experience required.

We are recruiting writers for these categories:

Sports, Science & Technology, World News, Internet Security, Gaming, Politics, Philosophy

If you have another topic you'd like to write about let us know!

Apply

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
