Thread: [\[1000\\$+\] per month guaranteed method](#)

**reaand** - March 1, 2021, 3:11 am

Hi guys it's about three months now that im using this method and i preferred to wait this months before posting and selling there.

I dont create any good looking thread or something like this because im selling just 4 copies of this method because it can be saturated with too many.

Basically this not involve any type of ebay,cpa,pdd,ewhoring,selling articles,video, write articles.

You MUST have an investment of 140\$ to earn 1000,1200\$.

More investment, more money to be made, max i had is 1600\$ and i think its the max maybe it can be a bit more but im not sure.

You must be computer knowledge and 1 hour of your time every day.

The setup will use more than one hour, i spent 2 days but then you just need 1 hour or less per day.

Final payment are made every 20 - 25 days via PayPal or Bitcoin.

I will prove my money earned only to serious buyers because i dont want to lose my time.

I dont give any vouch copy and first copy cost 400\$ next increase by 200 until 4 copy sold.

Convo or message me and i will be able to explain and share all proof.

You can get rich with this method and will not make any 500\$ per day but it will give a good profit.

Have a nice day
