Prices seem too good to be true and you have no rep, I don't mean to salestrash but yikes, this does not smell good at all!

I am new here and I can't put the big prices or have a lot of reputation. I can give you a vouch copy if you are interested so you can reply with yours review just PM me! (This will be the last vouch!)

Best of luck with your sales! Will keep this bookmarked so I can maybe come back once someone has vouched.

Can you please PM me? I can explain to you why the price are low and why I can give you that amount of adds.

OP gave me a vouch copy for the service. He's a very cool guy to work with and has come with a good method to get [BRAND NAME REMOVED] traffic imo.

I wouldn't call those adds it's more like leads hence the price is lower than usual [BRAND NAME REMOVED] traffic, but it is [BRAND NAME REMOVED] traffic, OP is not capping about that. I was suspicious at first when I saw the pricing, the thread design and so on but OP was so nice he gave me a vouch copy for the service and I liked it. Definitely recommended so far!

OP gave me a vouch copy to test out this service. And I will say it is well worth the investment.

I received 500 adds/leads within 10 hours I was able to make some money just from the traffic this far without much effort at all, also he's a very nice and helpful guy. He even give me some tips/advice how to talk with potential buyers etc

If you're looking for [BRAND NAME REMOVED] traffic, you have my approval

Captain Pre - March 5, 2021, 12:52 pm
