Thread: [Anyone else always checking out who is checking them out?](#)

Iconical - March 5, 2021, 5:50 am

I cant help but to keep checking who views my HF profile but has no interaction with me lol

Anyone one else can relate?

zakkary - March 5, 2021, 5:52 am

Nope, most likely because you're a god?

I glance at it from time to time, but I figure they just saw something I posted and wanted to see my profile. This reminds me I need to spice my profile up. Shit probably looks dry af ?

Deany - March 5, 2021, 6:25 am

Used to but now I don't really care to check

I literally look like a complete random when it comes to profile design, and since I sell stuff I wonder if they debate on buying but dont message me lol

Lol, I'm sure you'll get there ? I'm probably just going to pay the same person that did my sig to do a banner and maybe an avatar if I'm feeling spicy. Is there anything else you can do to make your profile look better? Super noob, so any tips are much appreciated ?

I'd probably be better off just taking some design tutorials and making something myself ??

It's more than an addiction; it's a lifestyle. Don't come on my profile if you don't want me back on your :3

Phobix - March 5, 2021, 8:17 am

What? That's effort & a half. I refresh new posts and only check notifications really.

Neon™ - March 5, 2021, 8:21 am

Rarely, but I often see that after I check someone's profile, they check mine lol.

Froggy - March 5, 2021, 8:35 am

I never check, I didn't even know you could lol.

Craig - March 5, 2021, 8:36 am

Nope, not had any reason to do so.

severos - March 5, 2021, 2:01 pm

Damn I never knew this was possible!

How could you of all people not know lol. It's literally the second panel on your profile.

Lyrlei - March 6, 2021, 1:08 am

I check em sometimes if I like their profile picture or something, most of the time I don't really care, I think people just like pressing profiles since I do them myself as well from time to time.

I'm not caught up with all these forum changes. This wasn't a feature before.

Maskin - March 6, 2021, 1:23 pm

It happens. I checked you out now, for no reason ?

A + - March 6, 2021, 1:24 pm

Yeah every now and then. I don't really care anymore tbh.

Forensic - March 6, 2021, 6:27 pm

Never really look at my profile so no idea at all who is looking at it

jecoylecroy - March 6, 2021, 8:12 pm

I check my profile once or twice a week maybe.
