Thread: [Effortless Penmanship \[Write books with your voice, easy covers, free publishing!\]](#)

JustHereToBuy - March 5, 2021, 6:12 am

As its stated, I'm selling a very, very, very simple book that covers some basic information such as tools you can use for free to write books using only the power of your voice, how to effortlessly make book covers, and how to publish them all for free

\$5 a copy ETH preferred, also taking USDCoin, or LTC.

Now this is actually something useful in life lmao.

Hey how are u?

I am interested in the Information about writing a book and tools needed for it. I am starting over in my life and getting back on my feet.

Thank you for your help
