Thread: [\[FREE\] Voicework/overs](#)

FunnyHands - March 6, 2021, 9:41 pm

Bored? Want a voice line for a friend? Just want me to say something super stupid? I'm your man!

I'm willing to voice basically anything, so go nuts.

[This is what my voice sounds like btw.](#)

I haven't done one of these since 2016, but I'm hoping that this goes well because I had a lot of fun voicing lines for the old threads.

If you're curious about those threads, you can find them [here](#) and [here](#).

If I don't respond right away I might be busy or sleeping, I will get to and voice your lines ASAP.

Hope to have a good thread ?

Would you be able to record me a happy birthday message? My birthday in a weeks time. Thank you!
