Thread: [NBA Top Shot Packs + Discounted Moments](#)

znc - March 6, 2021, 10:24 pm

Not sure if anyone's into NBA Top Shot here, but I figured I'd try selling here, too.

I have a ton of moments that I'm looking to sell for 70%-75% of their value.

I also have a lot of Seeing Stars packs for sale, and will get different types of packs in the near future. Prices for these fluctuate a lot.

Notable moments: Team LeBron/Team KD challenge moments such as Luka, Giannis, Brown, Beal, Zion, Curry, Harden, Embiid, etc. Many Series 1 moments, many MGLE moments, and some low serials.

Contact me if interested! Pretty much free money if you're able to withdrawal or willing to wait until you can.
