Check my B-rating:)

Also if there was a vouch copy, it would not be to a user with 5 posts and 2 of them are off this thread.

This service was fast, easy, and nearly effortless. I will definitely be dealing again, and highly recommend OP's service.

The coupon code for discount appears to have expired... will there be any more discounts coming soon?

Price was lowered already to \$3, so no coupon is needed.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
