I feel as if I should win this prize, it would bring glory to god and for man kind.

JustHereToBuy - March 7, 2021, 8:04 pm

Advice gets archived, and wisdom is eternal. It doesnt take much out of me to shred through subsections helping users, and providing follow ups.

If any reason I would deserve to win an upgrade, perhaps its a way of rewarding tireless effort towards contributing what outside the box advice I can to create effective solutions to their problems.

Maskin - March 7, 2021, 8:16 pm

I'll enter this contest.

If I need a reason to win then I'll just say that I'm a good (A.K.A normal) human being. I have sympathy for others and I have never scammed anyone. I would never get in bed with a woman who has a man. I would never hurt someone unless it's self-defense.

Good luck everyone who participates in this contest.

Vibe - March 7, 2021, 8:18 pm

I'd like to win something for my hard work that goes unnoticed at work, however being a good worker doesn't mean I deserve to win anything so I good luck to everyone more deserving.

MiSHo - March 7, 2021, 8:33 pm

Thanks Achievers for this great contest <3

i'd like to win this contest because i'm working so hard to upgrade my skills , I think that would be a good reward for me to keep going and learn more and more .

Yanix - March 7, 2021, 8:36 pm

Thanks for hosting this Big and Generous contest [Blazin](#)

I guess this time I deserve to win some for lately I am not winning anything on the members contest...I once win with one contest but it turns out to be a fake contest.

Good luck for everyone joining this wonderful giveaway. God bless everyone.

Euro - March 7, 2021, 8:43 pm

I'll enter just for fun, don't usually enter giveaways but Scrub posted in convo.

Why I believe I should win? I'd re-gift everything but the BTC which I would use to test my cryptocurrency API haha

Also thanks for the contest guys, this is a nice one.

Well, I deserve to win something ? because I try my best to be active within the community and starting up meaningful discussions in the [Crypto Currency](#) subforum. Whatever I win, I'll use as a tool to bring back value to the community. My profile history serves as evidence to support that assertion.

Thanks for hosting the contest!

No it's for one month. Good luck to everyone. Everyone should have more than enough time to drop a post.

Lavish Living - March 7, 2021, 10:27 pm

Why did no one inform me of this contest?

Put me down for x4 HoG awards. (\$200)

Dopamine - March 7, 2021, 11:32 pm

Well I don't deserve it but if I win I will buy some hookers and cocaine with the \$200 BTC. If I win the bytes, I'll just go on a bump spree. Pretty sure I won't win any group spots since I have a OD and it's okay.

Best of luck to everyone!

HOMODIN - March 7, 2021, 11:38 pm

Nice competition, thanks for hosting it...and yes, I would like to take part of it too. I believe that I deserve it because I have achieved so much in life, from being thrown out from home when I was a kid and being homeless to drive my own car, to have my own apartment and in the process of buying one more and a house abroad, to having a wife and a beautiful kid. I'm for once in a position to help others and well, that's what I try to do as well.

Good luck to everyone! :3

Thanks Achievers :)

Good luck all!

Swzzii - March 8, 2021, 4:20 am

good luck to everyone and thanks for hosting this competition!

I like to take part in this because why not, its my first time doing something like this here.

I feel as if I should win this prize because I have been spending a lot of time on this website and plan to do more here than just browse so to win a comp like this would be nice!

Thanks again good luck and have a good 1!

Lorem Ipsum - March 8, 2021, 5:22 am

Posting here to enter this Contest. Thank you for hosting this.

I think I'd be eligible to win either the Bytes prize of [Grim](#) because I used to exchange Bytes as a little side hustle.

Exchanged over 2.6M in Bytes which I think is great. I'd sell the Bytes (with my old-main thread, of course) and use the money to buy-in Lifetime with Achievers, just to gain some more knowledge.

If that is out of the question, I think a Lifetime Achievers prize would be suitable for me. As [mention=4227846] invited me to Masterminds group with [Dorrance](#) and I am still very thankful for those days.

Of course, I believe that other members have a better chance or 'right' to win any of these prizes, as I was lucky enough in my HF journey up to this day. I just like to participate with these type of Contests. Thanks again for hosting this!

Zeus - March 8, 2021, 5:50 am

Why not give it a go, good luck to everyone great comp [Blazin](#)

Mutes - March 8, 2021, 6:10 am

I deserve to win because I've been on HF since 09 and have done my best to help others. In my time here, I've only done a few giveaways but that's only because I didn't have much to give; I gave what I could with what extra I had... Not to impress anyone because I wanted to give back even something to the community.

Any of these prizes would be cool. I don't think I've won many contests or anything on here, so it would be cool to be able to win something.

If I won the BTC or Bytes I'd probably give a portion back to y'all if that was allowed. Anything else would be beneficial too.

I'm not normally good at writing stuff like this, but thanks for this and allowing us to enter.

DubIA - March 8, 2021, 8:35 am

Good luck to everyone!

Thank you Achievers for throwing this!

I deserve to win because I have been a contributing member for many years!

ADA - March 8, 2021, 11:16 am

I would love to win award or bytes

Juoku - March 8, 2021, 11:17 am

Awesome contest, I want to wish everyone participation good luck!

Why I want to win?

I've started to build myself up recently, I became a father for the first time and I couldn't be happier, I've started studying Java and other languages that I'll go more into later on after I finish with Java.

I don't really win stuff, I suck at betting and everything I usually participate in so it would be nice to actually win something for a change ;)

That's pretty much it.

account_ - March 8, 2021, 11:46 am

I deserve to win because am entering the contest, Thanks Achievers for the contest, Goodluck all.

TheCrazyONE - March 8, 2021, 11:52 am

Have a nice day!

flyingduck - March 8, 2021, 12:55 pm

i think i deserve to win, because i'm poor. making memes for a living is hard. so bytes or btc would be awesome x)

GI to everyone participating.

Yin Yang - March 8, 2021, 12:58 pm

Thanks for hosting! Consider this my entry

Would like the btc prize for savings. And be in a group too bc I'm cool.

SIM-4831572 - March 8, 2021, 1:19 pm

Hi! I'd like to be entered in your contest. I don't particularly believe I deserve to win anything.

However, I have entered giveaways before (not just on HF) and in my lifetime I have never won anything. I have some of the worst luck in history. Despite my bad luck in life, I choose to remain positive. Sorry, for the weird ramble. Anyways, thanks for the chance to win! And best of luck to the other contestants! ?

Lyrlei - March 8, 2021, 11:08 pm

Thank you for hosting this contest [Blazin](#) and the Achievers Group, I'd like to give this contest a shot.

I haven't won anything lately on the member contests, but RNGezus will decide, anything I can get will help me, I'd appreciate anything and if it's money, it'd help with my daily necessities spending.

Much thanks~

Trev - March 8, 2021, 11:36 pm

Posting here to win! xD

Thanks for hosting this, good luck to everyone!

Blogger - March 9, 2021, 12:12 am

Consider me because I've been a loyal member for nearly 11 years now. I've done a lot of giveaways and ran many contests in my time with prizes such as money, bytes, social media boosts, social media accounts, ebooks that I've written, graphics, website reviews, accounts, scripts, domains and more. Although I don't run them often, I plan on doing more in the near and distant future.

One thing that has been consistent throughout my entire membership here is that I'm always in the Free Graphics Requests section fulfilling members' requests. I love going into that section and fulfilling every request that I can. I'll even choose people at random (in any section of the forum, just while I'm browsing normally) and make them a new avatar and/or signature.

Lately, I've been frequenting the Marketplace forums but my first several years were spent in forums like Website Construction helping members fix their issues, mostly their forum issues. You can still find me there but not many members are requesting help these days.

I've created several graphics tutorials as well. Sure, it's for a program that not many people use(Paint.net) but that just makes it much more special.

I've also created a couple of MyBB themes that was released for free exclusively on Hack Forums. Thank you for this contest!

618C - March 9, 2021, 2:41 am

Whoa what a great contest this is, i cant imagine winning something but i would like to take a shot anyway!

Shoutout to the Achievers group, one of HF finest.

I should be winning something because im sharing with the community all the time. would be awesome to see something back :)

If the prize is money i will donate this to our animal shelter where i work.

Good luck to everyone, may the best win!

Wolf - March 9, 2021, 11:12 am

I would love to win any prize in the competition, If received the lifetime membership I will be an active member in the group and would love to gift an upgrade to a worthy member!

Masoom - March 9, 2021, 11:56 am

I'm going to give this one a go as well. Green has always been my favorite color. I'd consider myself an achiever as well. Hoping this post wins me a spot on the roster

Lindros - March 9, 2021, 12:14 pm

Thanks for the contest. Might as well post here to enter.

Astonished - March 9, 2021, 12:26 pm

Well what a huge contest to be hosting, thank you to everyone providing some sort of prize.

I would like to enter, being that I believe I am a relatively HQ poster, have been here for a little over 2 years now and stay active throughout almost anything. I like to think that I help new members well and provide insight into threads that may be scams or link offsite to malicious tools and or programs that are posted purely to harm members of HF (I've often downloaded things myself and tested them/scanned them and so fourth). I'm sure there are other members here that are just as deserving and or more than me, so I wish them luck too!

Even an award would be just as cool, I have basically nothing in terms of uniqueness so that would be cool. Once again, thank you to all of the providers. Wishing everyone the best.

Bankrupt - March 9, 2021, 2:18 pm

This is the best giveaway I've seen yet on the forums, to date. If i could win i would want a lifetime upgrade to Achievers - or the Award from Living Lavish

I believe I should win this contest because I've recently found a new love for HackForums, even though I'm a long time member I only really started to use HF more recently and I genuinely like being a part of things on this Forum. I would like more opportunities to be involved with Achievers, as it has the best color on the forum hands down, and seems like a friendly and well active community. Also adding I feel like I bring a small but noticeable impression when communicating with others in a group setting

Would also like to mention that I've been working towards obtaining a unique award and it would make my year to have one gifted, I feel as though that would be a large of an Achievement in my books.

Thanks for taking the time to read my submission for this opportunity OP's.

Velma - March 9, 2021, 2:22 pm

I am posting this as my entry, the reason why I should be eligible for this giveaway is because I think that everyone deserves a fair chance.

Scoppa - March 9, 2021, 3:01 pm

Hi! I think I deserve it because I'm broke. That's it. ?

I would very love to win some BTC or BYTES. Anyway, let's see what are the odds. Thanks to all donators and OP.

A + - March 9, 2021, 3:20 pm

First off it's really cool of you guys to do this. Thank you ?

Why I deserve to win: I try to be an all around good guy in everything I do. I've shared things that I thought would help members out on HF over there years, and try to help whenever I can. I try to excel whether it's in school, monetizing, health and fitness, or technology, and I try and share my knowledge and with others to motivate them and make a better life for themselves. I put my heart and soul, blood sweat and tears into everything and I try to inspire others along the way. Basically I'm just a good dude, figuring life out and helping others do the same.

Thanks again guys, wish you all the best.

jecoylecroy - March 10, 2021, 12:18 am
15 years ago I was an achiever
Spoiler ([Click to View](#))

so why not today ?.

Also 200\$ is a great help for me, I would invest to something useful or that can generate profit.

Thank you.

Stetsed - March 10, 2021, 1:10 am

Idk why I really deserve it, i'm not really special. But it would help alot :D

SIM-4967151 - March 10, 2021, 1:22 am

New to the site and just looking to learn as much as i can, I'm sure an upgrade or any of those prizes would go a fair way.

Thanks for this!

Artisan - March 10, 2021, 2:46 am

Thanks for hosting this mega contest.

I think I should win this contest because of my positive and helpful attitude toward new and old members.

grainy - March 10, 2021, 5:06 am

That is a lot of prizes! Would really love to grab one of the L33T upgrades as I cannot really afford it at this time. Coming back to HF again overwhelmed me with lots of nostalgia and I am looking forward to building my credibility here once again.

Wishing luck to everyone participating and thank you for hosting this.

Tonka - March 10, 2021, 5:22 am

Wow what a contest, firstly I would like to thank the achievers for hosting such a contest. Secondly I would like to wish all participants the best of luck.

So today I've been browsing the forums, I've been making a few posts to get my name back out there, Unfortunately the quality of my posts died off long ago due to being a member that was apart of the old infamous rep f*k and it was at that point I lost my drive and ventured off onto different paths. Leaving my computer to enter the world of hands on work becoming a boilermaker (metal welder), I did this for a long number of years and then once covid struck I rekindled a relationship with my computer. Now I'm learning to trade forex / crypto as well as looking to find a way to make a passive income with my computer, Its been a rocky road but I am determined to find my passive income online so I'm open to any advice or guidance that anyone on HF has to offer. In saying this little ramble my purpose behind entering this contest is to become apart of a social group & support, to network with people and to become more involved. For some reason I keep returning to my old stomping grounds, over the last 14yrs on and off remaining silent I guess looking for a purpose here, a way I can contribute to the HF community or even the internet world. I will no longer remain mute, I will be here to spread my positivity and send my love to HF.

I hope that you can consider this my application and that this entry will qualify for the contest, Have a good day all. PM me if you ever want to chat.

Good luck everyone who participates in this contest.

Her Goblin - March 10, 2021, 9:06 am

What an awesome contest here by the Achievers.

I'd like to post to enter and say that I believe I deserve a shot at winning something because while I don't have any self esteem really, I do hold myself to a certain standard and am proud of the morals that I do hold. I have the Gandhi quote "The best way to find yourself is to lose yourself in the service of others", and find myself constantly going out of my way to help those around me whenever, however I can, even if it means taking an L or the short end of the stick for me.

I was an HF user back in 2009ish and then took many years away, and just recently came back and have found a new love for this site, as it seems much different now than it used to be. I plan to remain active in ways that I can, while I can, and going forward hope to host some of my own contests/giveaways.

Thanks for being so HQ Blazin, and the rest of the Achievers!

******* - March 10, 2021, 3:15 pm

Great contest , Thanks to all the sponsors.

Why I believe I deserve this is because recently I was told to allow the blessings to come to me instead of always being the one giving it is good to receive once in a while.

Hope I win! Thanks everyone for hosting this :)

Gem - March 12, 2021, 10:58 pm

All of these prizes are very nice, your group looks very high quality!

I don't believe I should win, but I would like to.

I used to roam this forum daily, but back in 2017 some terrible things happened IRL, which resulted in me becoming inactive for a very long time. I only just recently began to browse the forum, and would really like to make a name for myself, for once.

I'm trying to achieve some goals personally and have already made huge progress with myself and my mind. Always interested in achieving more.

Good luck to everyone!

Thanks for hosting the competition. I'm going through a rough patch in my life and could certainly use the 200\$ BTC as I'm scraping the barrel these days for paying for food and rent. That's pretty much it. Good luck to all participants.

Tjm - March 13, 2021, 10:26 am

Thanks for the contest and everyone contributing. I think I should be able to enter because I do my best to keep my posts high quality, informative and respectful. I enjoy learning from and talking to other HF members, everyone has been very nice since I came back in December. I registered back in 2010 and forgot how much this place shaped my interests and knowledge. Thank you!

I feel like I deserve to win because I've contributed a lot towards HF, and all I'm asking for is an award. So that'll just be another contribution :)

Junot - March 16, 2021, 6:39 pm

I'll enter the contest.

The prize are huge list. The member of this community has been helped each other.
So, i believes this time will get the prize.

01001 - March 18, 2021, 6:13 am

I want to enter. Therefore, please consider this post as my only entry.

Reason: I believe that we all have something good to say about ourselves; therefore, merely saying positive things isn't enough. My reason is that one should help others, and good things will happen to you. The way [Blazin](#) is hosting this contest might help someone who actually deserves the cash prize. The bottom line, I often tend to help others without expecting anything in return.

P.S.: I was trying not to mention my reason, but since it's a rule, so I had to.

?BADMAN? - March 18, 2021, 4:12 pm

I will join for the hog award because i really think it fits on my profile.

Thank you guys for hosting this!

I deserve to win because I'm a very hard working guy, who hasn't rewarded himself in any way since I started my studies in a foreign country 6 years ago, and who hasn't won a single contest on HackForums yet?

I'm in my mid 20s and I already co-own a company for Online Reputation Management(ORM) and I do have multiple side hustles in the online world, such as automated adult tube websites, domain flipping and also fully automated movie & sport streaming platforms.

Internet marketing is my passion and I do it as my fulltime job for over 10 years already. I often have the thought that while most of my friends are out partying on a normal weekend, I'm just sitting in my office and trying to secure my future with no one to award me for that, so winning something from this contest would definitely make me very happy!

I would appreciate any of the awards here, especially an invite to a group because I have never been into one, and I definitely have lots of knowledge to share with people who have a common focus of reaching new heights. ?

theoldbrit - March 24, 2021, 4:33 pm

I'd love to win this contest bc I've never won anything online before and it would make my year a lot better. cheers ! <3

TB12 - March 27, 2021, 11:51 pm

I think I deserve to win because I've been a positive part of the HF community always helping someone when I can.

Thanks for giveaway goodluck to all

Big E - March 28, 2021, 4:11 am

Nearly missed this thread by virtue of it being in the Lounge, but found it now, so I'd like to enter.

Why do I deserve to win? Well I don't know if I deserve it, but I post around the forum a fair bit, am

active in Convo and enjoy using the site. Why not get the added benefit of perhaps being able to win some prizes? ?

Megasty - March 28, 2021, 5:39 am

I have no idea why me but i think i should win ;)

Blazin - March 28, 2021, 12:15 pm

Snapchat pushed some updates as of yesterday, so I am unable to give snap score points out as a giveaway currently, (working on resolving that) good news is I'll replace that with leet upgrades so instead of 2, I will up to 4.

Good luck!

G?df?t?? - March 30, 2021, 12:23 am

Hi

Reasons why I deserve to be a winner:

1. If not me, then who?
2. Free stuff makes me a happy camper.
3. I haven't joined many giveaways but have hosted / contributed to several
4. When / if I am selected, you will be blessed w/ many wives (as long as you live in a country where that's allowed)

Thanks

dismayed - March 30, 2021, 1:04 am

I would love to enter to buy a new laptop for Uni, as the one I have isn't very good.

I wish everybody good luck and hope the money help you out a lot :)

I would like to Participate in this Contest. I believe I have done nothing wrong on HF Since I Joined So As A Honest Member of HF I should win something.

Corver - March 30, 2021, 1:48 pm

Cool ! I don't deserve anything , but it would be cool if I won something

Shut Down - March 30, 2021, 5:21 pm

Thanks for organizing this, it's basically same top names doing such things as these. Don't want to be too subjective while saying why I believe I should be elidable to enter the contest, just trying out my luck as any of those awards would really cheer me up, especially an upgrade!

Gosta - March 30, 2021, 6:09 pm

I am commenting to enter, thank you and good luck to all.

\$neaky - March 30, 2021, 8:48 pm

Thank you Achievers for hosting this contest.

Going through a tough time right now and recently went through a breakup because of everything else that has happened, don't want to get into too many details, but I could definitely use the winnings for the better.

Good luck to anyone who is taking part.

Forest - March 30, 2021, 10:11 pm

What an amazing prize pool I must say!

I would give try to spread the love with the prize money, perhaps by making smaller competitions through various tournaments which may provide more activity on the site for example (gaming tournaments, puzzles, CTFs).

It would of course be nice to receive the Ub3r upgrade as I am currently just L33t.

Good luck to everyone in the giveaway!

SIM-3107656 - March 31, 2021, 12:09 am

I deserve to win because I will invest it in crypto and that's best thing anyone could do. I would HODL the won btc.

Lines - March 31, 2021, 9:49 am

Thank you Achievers, for hosting this contest.

I don't really have any sad or inspirational story. I'm an old member who's trying to work my way back into communication with a lot of people on this forum so I can continue to enhance my knowledge, and network.

Also just looking for some lads to play CoD or GTA with, and maybe gamble on occasion.

Also I must say the prize pool is pretty fat.

Good luck to everyone who enters.

Honestly I'm not sure I deserve anything because I find it hard to argue my value for prizes over others.

I will say that it's really cool of you guys to be hosting this generous competition and that I hope I can win l33t or some BTC.

Andrew - April 1, 2021, 9:51 am

I believe I deserve this opportunity to win because I've been good to people and I've done my good deeds. I know I just joined the forum and I actually love it so far. I love the community and the people. I hopefully win so I could have enough money to upgrade my account and finally be a leet member! Thank you so much for hosting this amazing giveaway! Thank you guys

TheProfessor - April 1, 2021, 1:35 pm

Thanks to Achievers for hosting this contest.

Why I deserve to win? It would definitely upgrade my skills which I'm constantly working on. Due to lack of free time I can't learn more about coding which I would love to. It would be nice to be a part of such an amazing group.

jamiss - April 1, 2021, 1:46 pm

Appreciate the giveaway, and good luck too everyone.

I'd like to enter in the hopes of winning. For the reason I love to share my positivity too the community and hopefully make some people smile as it brings me happiness ?

Herbert - April 2, 2021, 3:55 pm

I don't believe I deserve it more than anyone else in this thread, but it would be cool to win something.

Best of luck to all participants.

Incognito™ - April 2, 2021, 4:05 pm

I am a respectful individual, who has been around on this forum since 2013 I have helped countless members and never asked for anything in return. Thanks for the giveaway Blazin and the Achievers community!

amy santiago - April 2, 2021, 6:37 pm

I'll enter this contest.

If I need a reason to win then I'll just say that I'm a good (A.K.A normal) human being. I have sympathy for others and I have never scammed anyone. I would never get in bed with a woman who has a man. I would never hurt someone unless it's self-defense.

Good luck everyone who participates in this contest.

Shrooms - April 3, 2021, 12:34 pm

Posting to enter and wish everyone the best of luck.

I don't believe I have a better reason than anyone entering so I'm not going to write a big paragraph on why, and I'll simply wish everyone good luck.

Thanks for hosting this contest, very generous bunch of people.

Aeowulf - April 3, 2021, 12:53 pm

I've been here a long time and I've always been honest and ethical. I've always supported HF and its members.

Xtreme™ - April 5, 2021, 8:18 am

Thanks for hosting this Generous contest OP and everyone contributing.

I have been away from the forum for some good 3-4 months now and haven't won anything for a very long time now. The broke boi would get some funds to spend and take a weekend off from work. I would even appreciate a slot in the Achievers and get a chance to mix with the Achiever family and learn more <3

So maybe I deserve to win this, why not. Everyone should get a chance :)

Good luck everyone!

Cheers!

BTB™ - April 5, 2021, 10:40 pm

Hi,

First of all, Thanks for this huge contest.

Joining HackForums was a fluke! Actually a Google search landed me here. But, it was love at first sight. You see, you can very well identify a well moderated forum in a short time span.

A bit about me, I have done Bachelor of Engineering in Computer Science and have around 15 years of experience in technical support regarding networking and general software related issues. Have also worked for SBC YAHOO! ISP support for modems and routers. Including email software testing. The same knowledge has helped me to LEARN, EARN and CONTRIBUTE here on the forum.

I would like to add that I have been contributing to the HF community from the very beginning of my tenure. It can be in the IT section, suggestions for improving HF, Giveaways, In lounge chatting with my friends, Gaming and last but not the least in the Monetizing section with some unique earning methods.

I earned L33T, UB3R & 3PIC by winning competitions only! People have recognized my hard work earlier too! I can easily say; HF is my second home now!

Lately, I am less active, after the death of my father. But, quite sooner; would be back again in full flow.

Cheers.

simz - April 6, 2021, 7:24 am

i dont kno why i dont hows im here, then how . i want to 3P1C by no wiining competitor with everyb0dy.

I will try support myself and forgot HF and remember we all are members.

Cheers,

Hope I made it in time.

Looking to participate for that lifetime L33t upgrade. O.O

But I am fairly new, so don't have much of a name to prove myself with yet.

Good luck to everyone participating and thanks a bunch for hosting cool stuff like this.

Really makes the community shine. <3

SIM-4887667 - April 6, 2021, 6:11 pm

Hi, You might not recognize me but I'm Goomstar. I believe I deserve to win a spot in this giveaway because despite the fact I am a newer account I have been active in the community and always done my best to level up myself and those around me when possible. I've tried to be as HQ as one can be ?.

Also not to mention I don't enter many giveaways because I typically don't like getting free shit and don't see the point in it, I like earning things. Call me crazy.

Achievers seems like a good spot for me to settle down with for a bit cause I'm ready to level up again. I was running a very successful business in drug dealing but all that shits behind me and I'm taking the next steps in this process.

Can't beat my timing entering in this contest either, less than 12hr before the end date begins.

Good luck to all entries!

Punny - April 6, 2021, 6:15 pm

I do not deserve to win more than anyone else, I however want it more than those losers.

Blazin - April 6, 2021, 10:20 pm

Will keep it open for another day / few hours so everyone in different time zones gets a chance.

test - April 6, 2021, 10:29 pm

I deserve it because I am a female.

Fortunate - April 7, 2021, 1:34 am

Not sure if I ever gave an entry, taking a shot.

I've been an active member of the community for 5 years. Just shows that I grew up in HF and it has affected my life a lot. Winning a giveaway for once would definitely be deserved.

Blazin - April 7, 2021, 2:24 pm

Giving everyone one last day to enter in on this. I realize time zones and stuff, will be closing this in a few hours and we will start declaring winners.
