Thread: [TIL Carlos Mantos wasn't the creator of bitconnect](#)

NeonSidee - March 7, 2021, 10:47 pm

I thought he was the owner of it and he somehow escaped jail time but appearantly he was a hyped up investor, wut?

>he wasn't behind bitconnect

he was just a really hyped up early investor that actually believed in that shit

Is this true?

I'm watching this video everyday for like 2 weeks now xd
