Can members ask other member to give them popularity ratings?

Yes, you can ask members to give you popularity ratings. It used to be a policy violation but now it's not.

It used to be. Not anymore.

After reading this post, I knew I had to join. April 8th is just after my birthday, therefore I'm automatically gonna be lucky....right? (Duh-Dun-Tiss. April 2nd birthdays 4lyfe) This would definitely be a great birthday present, especially with all the activity with BTC currently and the fact that I am a

business minor/investment enthusiast. (Plus I've always wanted to get started with BTC and never have gotten too/stopped being lazy enough to set up a BTC account) Good luck to you all, and shoutout to Cap for hosting this giveaway! Have a great one everyone!!

Stanley - March 16, 2021, 7:31 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
