Thread: [Duplicated bytes bonus upgrade bug?](#)

SIM-3343347 - *March 8, 2021, 1:37 pm*

According to UB3R upgrade, you get 1000 bytes... what happens today , I bought UB3R for someone, now he/she & me own 1000 bytes each, which totals 2000 bytes...

Not sure if this is known one or no....
