Who are you? Why do you recommend scammers in my thread? Look at last feedback at that guy's thread - there confirmation that he got ripped one HF member and he is scammer; so if you recommend him i assume you are scammer aswell or maybe you are multi of this person? Go out of my thread, stop flood here; and to everybody - try installs firstly before write any feedbacks; some vouch copies are still available; and also if buy mix - we can make 0.1\$-0.13 per load (compare to 1\$ of that example).

JorkCurasao - March 31, 2021, 9:59 am

I was worried of quite fresh registration of OP, but finally made up my mind to try his loads and i was wondered - its pretty legit vendor. Bought 100 loads for test, and got amazing almost 70 of 100 came true real installs/bots; actually i didn't check them all properly yet, but the ones i've checked were with valid stuff.

It definitely looks inspiring; and also i like the vendor is flexible and may arrange some discount; going to buy more, thanks mate.

Here is screen of bots came:

If you give me like 100 installs for vouch I might consider buying this for 10% of original price. I will write review here if you'r up for this. LMK

I'm gonna have to point out that my original thread didn't link to anybody. You're obviously doing some real sketch shit right here by acting like I'm advertising for someone. with that being said, to anybody viewing this I highly recommend avoiding this seller.

Which geo are you interested in? I can sell you mix word for 10\$ per 100 loads, write to contacts in first post

sadist - April 1, 2021, 12:58 pm

Huge vouch for OP, fast replies and straight to the point.

received majority of the loads from the vouch copy, about to open a larger deal and will update my review here for anyone else interested in OPs shop!

Jabba the Hutt - April 7, 2021, 3:35 am

Received a vouch copy from the OP. The flow is good, quality of bots is good, got most of the installs. OP is very friendly and fast too.

baph0met - September 17, 2021, 3:22 pm

Still kicking? I'm interested in one test offer and then one mix.
