Nothing more to say... This server is bad ass.

IP: play.onemc.org

World will never reset. We don't need donations.

What kind of server is this? Also what version is it running?

Orca - March 10, 2021, 9:36 pm

1.16.5 newest version! Thank you for that I will add to the title

It's a survival server vanilla with grief protection via factions

Alright nice, so you don't allow any griefing raiding?

Nate - March 10, 2021, 11:41 pm

Looks good, I'll start playing tomorrow honestly. I've been looking for one to past time in

Orca - March 11, 2021, 3:31 am

We're growing fast!

40 online right now on the first day of launch!

Griefing and raiding is impossible with the claim system

Glad to have you on here Nate!

Nate - March 11, 2021, 12:19 pm

Joining up rn, is this your own server?

Editt: Damn, can't join you guys don't accept cracked clients of the game

Orca - March 11, 2021, 2:19 pm

Yeah it's my server and no we don't allow cracked

Got ahold of my friends account, Going to play some today

XMR - March 14, 2021, 8:20 pm

You say there are no admins, does that mean this is an anarchy server? What are the rules of this
server if any?

Orca - March 15, 2021, 2:35 pm

The rules are mostly constrained by the plugins and common sense

Shit is popping off - just added some new bosses also

Orca - March 28, 2021, 7:00 pm

We had over 100 online today

josimc - March 30, 2021, 4:50 pm

Might check this out later! Been wanting to get into minecraft again and would love to join a chill
community!

Orca - March 30, 2021, 7:59 pm

This community goes ham - over 100 online today

Aeowulf - April 3, 2021, 5:41 pm

Looks active AF from the map. Might have to try this one next time I fire MC up.

Orca - April 6, 2021, 11:23 pm

I hope you enjoy it - but please spread the word!
