Thread: [\[8/7-8/13\] No news this week](#)

Yin - August 15, 2010, 10:39 pm

There's no news this week. There was no headlines, etc, or anything, really. Nothing that is news worthy for a headline started this week! However, tomorrow, Interactive Tuesday will happen, where I post about people's things, and headlines if there are any that early in the week, however, I doubt it.

In other news, Reviewers applications will be chosen soon! Also, check out the first Interactive Tuesday which can be found in this section. Tomorrow, I'll post a new one of that, with all new interactiveness.

Kotei - August 15, 2010, 10:54 pm

If you need someone to interview, I would love to be that person.

Yin - August 15, 2010, 10:57 pm

Maybe, I think there's some other people too.

NaDe - August 15, 2010, 11:00 pm

Sorry to hear, maybe next week.

Yin - August 15, 2010, 11:05 pm

Well, tomorrow I'll post an Interactive Tuesday, but this week there was nothing to write about. Hopefully next week (well this week technically), Omni will make some headlines.
