Thread: [Contract nonautobuy URL bug](#)

Iconical - March 13, 2021, 11:54 pm

when inputting a <https://cash.app/> payment address url it inputs as buy now button and does not properly redirect to cashapp

[Omniscient](#) Apologies for the ping but this seems, in OP's description, to be another payment option that redirects to a broken Buy now
yep exactly that

Looks just fine.

Thanks.
