I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

Did you use a contract or a middleman?

No I didn't. I've been on HF for over 10 years. Im new to contracts.

Are you really defending this scammer? Here's plenty of proof:

I'm not believing anyone mate, I merely asked if you had used a contract. Perhaps you should have investigated that before sending money. Im sure there's proof but as a 10 year member you should know better.

Where in his message did he at any point defend the scammer? It's your own fault for not using the contract system, everyone who came back was new too to them but used them fine. Scummy on them for scamming you, but dumb of you to not bother keeping up at all with an important tool like this
