Thread: [Make Money by HIRING ADVERTISING WORKERS ! > Let Them Work For You :\) \[PAYMENT PROOF\]](#)

QASIMPATI - March 15, 2021, 1:16 pm

Hello my friends ...

Today, by Hiring Worldwide Referrals Very Different! and I will describe an Amazing Passive Income Method ...

With a Very Special Tactic I found myself;)

HOW DOES THE SYSTEM WORK, HOW WE DO?

With our daily earning from ad clicks, we HIRE THE PEOPLE WHO CLICK ON ADVERTISEMENTS around the world, we make them work for us and we earn money through them ... (They don't even know that they are Referrals!);)

That is, you will have a CLICK ARMY day by day without making any investment with this method, while you alone are 1 person strong... And these people will work for you every day and earn you money... Isn't it super?

REQUIREMENTS:

In order to do this method I will explain, you need to take only 2 minutes (Yes, you heard it right, Only 2 minutes!) And keep your system active every day ... It is a very simple job, in fact ... They constantly bring us money for 30 days...!) (If you knew how folks make money like this, your mind stops!)

Want Proof of Payment? You might be a little surprised when you see the earnings at the end of the post...

Now let's get to what you need to do >>>

Spoiler ([Click to View](#))

STEP 1: Log in to this website >> [HERE](#)

STEP 2: Paste the code that I will give to the code part on the site and press the "Send" button >> YT76-8TF3-TM92-YV61 (This code changes every 20 days and it is very difficult to find it again, so when the code is running, I say keep your hand quickly. !)

STEP 3: Click on "VIP MEMBER - OJOO" on the page that opens and register to the system by filling the information on the page that opens (If you saw the VIP MEMBER text in the section you need to fill in during registration, you are on the right path!), Then do not forget to activate your membership by entering the e-mail address you registered!

STEP 4: After logging into the system, take 2 minutes to watch the ads every day from the "PAID TO CLICK ADS" section above (so you can keep the system active) (Most of the ads are 5-second ads)

* Important Note: While users who register normally can watch 4 ads per day, those who register as VIP MEMBER can watch 14 ads a day and the number of ads increases day by day, so your daily earnings continue to increase with each passing day you stay active!

STEP 5: Every time you reach \$ 0.20 with the ads you watch daily, click the Purchase section on the left side of the panel and do not forget to click the "Purchase Referral" and buy Referral ! (And let the referrer start to work for you :) ... (The system hires these people, namely those who register without Referrals when logging into the system, as a ref, they make daily ad clicks again, but they do not even know that it is your referrer!)

** If you say I don't like waiting; You can load up to \$ 10 on the system and rent a Ref (But I think it is not necessary, the important thing is to be able to click on the ads every day for 2 minutes and do not forget that!)

PAYMENT PROOF:

That's totally bullcrap, the main url of the website and the "vip" one (<http://technology-advicepro.ml/secret-area/>) have both the same landing page

Hi. Can you explain your system in more detail?

I was signing up as you said and after more than 1 hour on the site and clicking ads and doing all offers and so on , I made \$0.0111. So a little bit more than 1 ct.

How is it, that they pay you \$864.40 , when the max payout is limited to \$50?

How long do you need for \$0.20 to buy a ref?

Is it on average 19 days or equivalent to 19 hours?

Well, yes, after that it would be ~10 days, then 7 days, than 5 days, than 4 days, than 3 days, and so on.

I mean, I am talking about making \$0.20 until I can buy the next ref.

Do I something wrong? What was your timeframe to reach these \$864?

Please help me out, I really need the money and I am willing to do the work.
