From email:

Thank you for your purchase of a GeForce product. To redeem your promotional code for Call of Duty: Black Ops Cold War, please follow these steps:

REDEEM YOUR BUNDLE THROUGH GEFORCE EXPERIENCE

1. Install your qualified graphics card.
2. Update or install the latest version of GeForce Experience (Version 3.18 or higher).
3. Open and log in to GeForce Experience.
4. Go to the Account drop-down menu in the top-right and select "REDEEM".
5. Enter your bundle code from your qualifying bundle purchase.
6. Follow the remaining instructions on screen to sign in through your Battle.net account.
7. Select "REDEEM" to redeem Call of Duty: Black Ops Cold War to your Battle.net account.
8. Select "LAUNCH BATTLE.NET" to complete redemption and begin installation.

Looking to sell code for \$40

You need an RTX 3070/3080 right? Not to sales trash but I've seen these codes go for \$15-\$20.

Lol. I'll let it expire before selling for that much.

These codes go for \$20 or less on ebay, but if OP is using his 3070/3080 to redeem it for you then it's worth. :)

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
