Thread: [SELLING PLATINUM Stake.com VIP Account](#)

gamblingmegaaddict - March 21, 2021, 6:50 pm

Hello, I'm selling my stake.com account in hopes to stop gambling. After all these years and money spent I don't want my account to go wasted. I'm asking \$199 (equal to a treadmill ;D) and I'm looking to sell this account asap.

This is pretty risk since you could always get your account back via your original telegram account

OP probably has mental issues as he was spamming Convo with this thread like crazy. Deal with caution, OP, enjoy your negs and good luck with your sales.
