Tradezomg - March 24, 2021, 11:39 pm

I dont currently have a jabber but you can contact me via pm/skype/discord.

Velo - March 24, 2021, 11:40 pm

I'd love to leave an extensive review on this, if there are vouch copies available.

Looks great.

Snizz - March 25, 2021, 12:37 am

Talked to OP on skype, was super helpful and informative. Went ahead and am trying out the 10k traffic will update so far so good

Velo - March 30, 2021, 11:02 pm

I received a vouch copy from Tradezomg - a campaign which entailed 10k (non niche/specific targeted) traffic dripped over a period of 15 days.

The quality of JUST the vouch copy traffic alone was beyond what I was expecting, and it resulted in real leads for my site and a good boost to my sites statistics.

If the quality of the product alone doesn't make up the cost in your mind, the advice and support from OP definitely will.

Solid communication and explained well everything there is to know about what he is selling, I'd recommend him to novices that are unfamiliar with the landscape of SEO and promoting your website.

I personally decided to invest more with Tradezomg by purchasing his SEO service to run alongside the vouch copy traffic,
which I will update this post regarding the results to that, so far, super impressed!

Taking more orders, currently fulfilling quite a few onsite hf site orders, and orders from my other sites. Message on any of my contacts when you need ;]

mdrockstar - April 3, 2021, 4:19 pm

can you also sale only mobile(semi adult) traffic for adult affiliate link?

Tradezomg - April 3, 2021, 4:31 pm

Yes, that is within the scope of our capabilities, however, as with any traffic we can't guarantee clicks even tho engagement is likely.

Hayzeh - April 3, 2021, 10:00 pm

If I were to get traffic sent to a darkroom website where I sell prints, is there the possibility to get sales that way? Are these real people with the potential to interact with my site that way? Or is this more for numbers and rankings?

Tradezomg - April 4, 2021, 7:08 am

Yes, they are 100% real humans that will interact with your site if they are interested, we also have niche targeted, which means they are highly more likely to look around. there is also the search engine package in which you can increase the bounce rate to 5-10 minutes. Both packages have mobile only traffic available.

However, anything malicious is not allowed on our traffic service. We do have a checker, sorry in advance if this is an issue.

DirtMC - April 17, 2021, 7:24 pm

??? still available? Asked for a vouch back when you posted this.

Tradezomg - April 20, 2021, 1:57 am

Yes, however, vouch copies are not as I have given out already sorry.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
