Are any vouch copies available? I used to make money on twitch buy prime subs before the account got banned

But I'd be interested giving in another shot with you're knowledge

Check my other threads for vouches, The account got banned because subs have a high ban rate

nowadays especially if not buying from good providers.

Extra perks added
Thread revamped

And I added things that are essentially additional free services valued at \$50+ for HF only

Ban rate depends on the seller you buy from, which is another reason this mentorship can be good

Yes understood,

Do you think it's still as profitable as before? few years back it was good but I am not so sure now if its worth the time.

Also, how much have you made so far?

its profitable but not as profitable as before

Now:

\$100-\$150 max per bottled acc

Before:

\$300-\$500+ on a bad month

right I see, so now you would essentially need multiple accounts going at the same time to make a decent amount of profit :s

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
