Thread: [flagged cash app](#)

jaycash282 - March 30, 2021, 2:26 am

Customers are sending money and it says this may be related to a scam i have had this happen before on another cash app the one its saying it on is verified and everything some times it says that some times it dont does anyone have a bypass or is the cash app banend

Ikwilbillenzien - March 30, 2021, 6:00 am

Looking for same information

Your best bet would be to make a new CashApp

Kway - March 30, 2021, 8:50 am

I'm sure crying about it on forums will help fix it!

jaycash282 - March 30, 2021, 2:50 pm

I am just gonna have them sign a contract so they wont dispute anymore lol

Please tell me you are just trolling...

jaycash282 - March 30, 2021, 6:23 pm

Nah i am gonna have them do that i dont want my stuff flagged anymore i found a solution i just send them 1 dollar first so they can be in my contacts then they send me the money and it wont flag it anymore
