Thread: [\[25% OFF\] EWHORE PACKS HQ SNAPCHAT READY 2021 | SELF COLLECTED & UNSATURATED Packs](#)

Deadmau5 - March 31, 2021, 9:06 am

When it comes to eWhoring, it's very important to have an unsaturated pack to ensure a sale from a potential client.

I've personally tested out these packs myself before putting them up for sale, and the conversion rates were much higher compared to any of the packs I've used previously.

For those who don't know me, I have over 5 years of experience in this scene, and I've earned well over 20k only in a short period of time.

Here's a little proof of just one of my sales from 2016

There have been some issues with the discount code/coupon lately. I've fixed it all now, and the discounted copies are still available.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
