We do all kinds of services for both OSRS as well as RS3. We do virtually any service in each game, whether it be skilling, questing, pvm, achievement diaries, or minigames.

Current Promotions

5% off your first order

Giveaways of OSRS GP/Membership codes every week - pm me on how to enter!

Why us over the competition?

1. Cheapest prices compared to others. Aside from the fact that our base prices are the cheapest out there (I've checked), we offer loads of different discounts for loyalty, as well as a referral program. We're also doing an opening sale from now until June 1st, 2021 where everyone will get an automatic 5% off of your first order :)

~If you message me and show me a price from another competitor (official competitor, so a discord or popular forum thread - not a random person), i'll beat that price by 1%.

~You can get up to a 12% PERMANENT discount on all orders (not including limited time promotions)

2. We offer both RS3 and OSRS services. For some reason many other service providers only do OSRS. We actively play both games and we can easily do anything in both games as well.

3. GIVEAWAYS - we do free OSRS and RS3 gp giveaways. Frequencies vary, but at least every 3-4 days. Minimum amount is at least 1m OSRS and will increase as the discord gets more filled.

Services Offered

- Skilling
- Questing
- Minigames
- Achievement Diaries
- Clues
- Defenders
- PvM (single kills, pet hunting/bulk discounts, teaching)
- Ironman gathering - we gather supplies for whatever skill or activity you need to do on your ironman.
- Staking account rentals (both RS3 and OSRS accounts)
- Gold Buying/Selling
- Swapping
- Basically anything you can think of that isn't specifically mentioned in the discord list, we can give you a quote on.

Please message me if you would like to start a contract. We can also copy and paste all of our

discord interactions into a HackForums PM if you want to have everything logged through HackForums. Just let me know what you would prefer when you make an order.

All services are paid through OSRS/RS3 gp

Please note: Services have ALWAYS been against the rules, but after Jagex's recent announcement, people have understandably been a bit concerned about purchasing these services. At this point, i haven't personally seen any bans at all for service buying, but that doesn't mean it's impossible. As a result, you should always be prepared for the worst when going into a purchase.

THAT BEING SAID, we do offer almost every service through parsec/TeamViewer. These programs have long been used to ensure a near 0% ban rate for things like buying infernal capes, and we're more than happy to accommodate that for nearly any service requested to ensure that you feel the safest you possibly can. EVERY service with this add-on will have a non-negotiable 25% surcharge.

VOUCHES

(Jun 26, 2021 10:32 PM)Bankrupt Wrote: [\[CITE\]](#) Vouch for this user, did a 1.1B contract right out of the gate, was super cool and also allowed a payment plan securing any doubts i may have had creating an order that big. this users is THE best on site for OSRS related jobs/gold. Also purchased gold from him for cheaper than the other merchants on site. 10/10. VERY high quality services. Thank you

-UPDATE, CONTRACT COMPLETE, account is finished without a single hiccup, not only did I get the skill I paid for I also received multiple bonus quests and item unlocks on my account for free. Anything they thought would speed up the process they went ahead and asked if they could unlock free of charge to me. Absolutely the BEST RUNESCAPE vendor on HF. as mentioned above this deal was for more than 1.1B OSRS GP. VERY impressed, 10/10 service, if anyone has any questions about my free vouch or this service you can always PM me, as I 100% recommend this service and seller.

how much for maxed 1 def pure with all quests

(Apr 9, 2021 01:27 AM)D0nttrustm3 Wrote: [\[CITE\]](#) how much for maxed 1 def pure with all quests
Hey, so just to confirm the stats for that, it would be:

1 def

99 range

? attack (different att level typically for different pures. 60, 75, or 99)

99 str

99 mage

52 prayer

Then any levels that come with questing.

For quests:

DS2
MM1
Desert Treasure
Regicide (for zulrah)
Horror from the Deep
Animal Magnetism
RFD up to mith gloves

Let me know if there's anything missed in there and i can get you a quote on that. Thanks :)

RS Endeavors - April 14, 2021, 6:00 pm

How much for 1-75 range? I have multiple accounts that need done. As of now I have 5 accounts. I'll have 5-10 more next week if you're interested.

Hey, just finished a few accounts with that exact order so i can get you a pretty accurate quote - i charged them 25m per account but they had 70 def on the accounts, so if you're wanting from a fresh lv 3 it would be a bit more, i'd estimate around 30-33m per account.

For a bulk discount since it's 5 accounts, i would put it at 28m per account if it's a fresh level 3. Would also need to know a bit more specifics like how you want it trained or if you care if any other stats are gained at the same time, but we can discuss that if you're interested at all.

Let me know :) thanks

Can you send me a quote and time frame for 93-99 hunter?

Thanks.

Hey, sure :)

192m base price, then -27% for our promotion right now (20% off for 99 skill, 7% off for first order) for 93-99. So total would be 140m.

As for a timeframe, i would give it 10 days depending when it starts (usually when an order starts on a friday for example, it will be quicker since that would include two weekends so that would likely get done in 8 days rather than 10).

Let me know if interested at all, can add me on discord Bobo#9045, i'm in the hf discord as well if you wanna find me there.

(May 19, 2021 03:35 PM).TEN Wrote: [\[CITE\]](#) How much for you to attain a fighter torso & full void? Hey :)

Torso is 30m, void would depend on your combat level/which boat we can use.

Novice boat = 50m for 1 set of void, 10m per additional helm

Intermed boat = 34m for 1 set, 7m per additional helm

Veteran boat = 25m for 1 set, 5m per additional helm

Stanley - September 14, 2021, 10:38 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
