Any sort of vouch copy you can give for this? No offence but you have a relatively new account and I can't exactly say you have much of a reputation. Any sort of proof would be cool! Good luck though.

EDIT: Was given a vouch copy by OP. Can confirm the service is working and real. I have no idea how safe it is for your account/whether you lose views or anything like that. But what I can say is that the views do show up quite quickly and are viewable by others too.

I am fairly confident that you can trust this user to carry out his services legitimately.

Good luck with sales OP!

Good luck with sales OP!

Why do you ask for a vouch copy if you don't plan to buy/use the service, and only wish him good luck with sales? Weird flex

Its literally doing the guy a favor... it happens on every single sales thread. I get no advantage out of this, I literally made a new account and uploaded a video at the time, not trying to grow any page, can send the video link and tag of account.

You used the contract system for a vouch copy?

And I don't see what favor this has done for the OP. Why are we to trust your vouch? Legitimate questions

How often are you in the market section bro? It is literally a rule to use a contract to leave a vouch... Its your choice to trust my vouch, I have no relation with OP, Its a favor for him because I am publicly stating that his service is legit and that you get what you would be paying for. He did it for free for me, and in turn I leave an unbiased statement on what I think of the service and whether its legit.

The fact that you are questioning why there was a contract or why I did a vouch for him, which again happens on practically EVERY thread, is actually absurd to me. Its literally a type of contract called "vouch copy". Its better to do your homework before trying to be a detective. Good day to you.

Thanks for clarification on your vouch copy contracts, you are right I don't ask for, or deal with vouch copies on a regular basis. I just find it weird to jump on a thread, ask for a vouch copy, and then say good luck with sales after you're given something for free, when it's clear you didn't have the intention of purchasing in the first place. (Otherwise why wouldn't you have purchased after receiving vouch if you were satisfied?) ? Again, thanks for answering my questions ? I hope you have a good day also!

Julibert is a big scammer from Phillipines. Avoid and block him.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
