I have a feeling the sex swing, pornographic bed spread, and suction dildo I can't get off the wall would make my picture NSFW.

Sure OP I'll share my picks

This could be social engineering so I will not post a pic of my bedroom. But if you want you can post yours.

This is 2 years old and the OP is quite well known around these parts.

Fresh, but you need a new chair my guy.

My room is nice and clean as fuck because that's the way my girl keeps it.

My office? Not so much, it's pretty basic with some boxes and papers everywhere.

M2K - December 30, 2023, 1:55 pm

This is the closest to, 'can i get a picture of your toes' without the body shame.
