Thread: [I need a female voice recording, paying \\$20, about 10 seconds of voice](#)

S?mbra - April 4, 2021, 12:25 am

Title.

Paying \$20 paypal, I need someone to say a specific line. No video needed. About ten seconds of recording, so if you can do it, it's the fastest \$20 you could ever make. And I might have more work for you in the future.

Thanks!
