This is so tempting, too bad I am poor.

Mullet Muscle - April 6, 2021, 10:04 pm

Test your luck and lets see if you're a true Gambler!

Grim - April 6, 2021, 10:05 pm

Ahh a true gamblers entry to a group very nice. Goodluck with your bets everyone. Nice group

123 - April 6, 2021, 10:09 pm

Did you just started reading Marketing books ? This is clever and original. I'm more of a script kiddie and not a gambler. Good luck to everyone trying their luck.

Lavish Living - April 6, 2021, 10:33 pm

Also something to note, ALL money received from these deals in the month of April will be put into the bonanza pool for May 1st. Half the payout for the bonus buy will be given away to Gambler members. No limit to the potential amount!!

Don't miss out.

TB12 - April 7, 2021, 6:18 am

Rezon ® - April 8, 2021, 6:24 am

Nice group, like the userbar and colour.

Hoping to join up some day :)

Mix - April 9, 2021, 7:37 am

Just wasted 4 hours on William hill playing a range of slots with a small amount of £30 and then throwing it around getting it up to £110 and then losing it to almost pennys to win it all again to then lose it all and then to withdraw what I put in to then lose what I had won, does that make me addicted?

Aeowulf - April 9, 2021, 8:11 am

I consider myself to be something of a gambler.

Plays /flip 5 in Convo all day

Interesting entry fee though. Definitely fits the bill for the group I suppose.

Lrrr - April 9, 2021, 9:13 am

This is a good bet with no downside

Unfortunately no. The one requirement for Gamblers is no unresolved valid deal disputes

Incognito™ - April 10, 2021, 4:12 am

Just got scammed for 1000\$ a few days ago or I would, Nice group Lavish GL everyone.

Lavish Living - April 10, 2021, 9:34 am

Changed the requirements to Roobet only. Fresh account so I get the affiliate bonus as well. Kappa

Btw, all the money collected from winners or buyins for the next 20 days will go towards a bonanza bonus buy pool. 50% of the profits from the bonus buy will be given back to Gambler members through a random giveaway spin.

PM me to set this up. If you are an active gambler... there's no downside to taking this deal. Make a \$100 bet and if you win, you get lifetime Gamblers. If you lose, you get a month to check out the group and rep some pink clout.

Fortunate - April 10, 2021, 11:14 pm

I've seen this on other forums where people take a risky bet for an invite. Since gambling is disallowed on HF you found a way to do the dirty work on another site. Very nice.

Lavish Living - April 12, 2021, 8:26 pm

Very surprised only one person has taken me up on this offer.

Hackforums a bunch of pussies huh?

Gamblers going to partner up with a gambling site soon. Instead of Roobet, the \$100 bet will have to be placed on this partnered site. Cheers.

Is there anyway to register in the UK it says roobet is not in my region

A VPN.

But pretty sure Lavish wants it done on another site soon so maybe see if that one is available :)

One day I will join this group. Awesome userbar and name shades.

Lavish Living - April 16, 2021, 10:31 am

For the next two weeks (rest of April)

If your \$100 bet loses, you can elect to buyin for LIFE into gamblers for \$50. (50% off).

Otherwise, you will still be able to claim a month of Gambler group access for free.

Harry Manback - April 19, 2021, 8:23 am

I very much likey what I see. It's unfortunate that I don't have the award for hitting the jackpot on slots since I've done so in the past, although slots hasn't been too kind to me overall on site.

Edit: If someone could explain to me why I never got an award for hitting the jackpot, I'd appreciate any help :D

Lavish Living - April 21, 2021, 9:48 pm

No real gamblers on HF.

That's a shame.

Stanley - May 22, 2021, 10:17 am

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
