Thread: [Selling Website that earn \\$2k Monthly](#)

**OxaByte** - April 9, 2021, 2:01 pm

Hello, i am selling my 1 year old adult website.

Here are stats

750k Unique Visitors in march.

97% Organic Traffic.

Earning \$60/ Daily.

37 Domain Authority according to ahrefs.

Source of income is ads.

Its making from \$2k/monthly.

It have a huge potential and can reach 1million daily visitors.

Only serious buyers, yes we can do escrow.

You can literally make money while sleeping (Passive Income).

Here what you will get when u buy this

1. Domain name.
2. Webserver which have website files and videos.
3. Lifetime unlimited google drive access which is used for website daily backups.
4. Ad network accounts.

Post your best offers in the thread, i am looking around 8k+ . Which you can make back within 3 months and if you work a little more on website then you can achieve the money back within 1-2 months. I am selling this because i am need of money.
