Thread: [5,310Bytes Contest \(Ub3r, L33t, Vend.\) - Easy Entry - 3 Entries - 3 Winners - 3 Day](#)

bk randy - April 10, 2021, 3:13 pm

Welcome to the 2nd bk contest

In this contest you will be competing for bytes, there will be 3 winners who will be chosen by a random number generator and will be viewed / live fed with another trusted member of HF, who that is I really do not care. You can decide, or I can ask if Cooligan would be willing to. tldr; this will be a 100% legitimate contest. I plan to do bigger ones in the future as well.

How to enter:

1. QuickLove this post (Purple heart, top right)
2. Max Rep this account, (+1L33t,+3Ub3r,+5 Vendors)
3. Post in this thread saying your FIRST entry is complete.
4. Make another post again later, 2 more times, saying this is you 2nd, or 3rd entry.
5. Your post number on this thread will be your entry number
6. (Optional) Feel free to add why you wish to have the coins, more words in posts get more coins anyway.

Prizes:

First prize: 4,200Bytes

Second Prize: 690Bytes

Third Prize:420Bytes

(Total of 5,310Bytes)

RULES:

1. You get three entries, if you forget and post an extra on accident, I won't know and will think it's on purpose. You will be disqualified.
2. Discussion is allowed, more than 3 entries isn't*
3. There will be NO double prize winners, for example, if the random number generator produces the same number twice, we will do it again to find a different number.

Think that pretty much sums it up, if you have any questions feel free to ask.

Good luck to all!

LET THE GAME BEGIN!???
