Thread: [Getting married](#)

Ellis Ben - April 13, 2021, 11:40 pm

Hello HF,

I already said that - [I may be getting married this month.](#)

Day has been finalized. Till yesterday it was about to happen this weekend but some how plan has been changed and it's happening next weekend. Event venue and other stuffs have been decided. As a precaution to Covid, not inviting many guests. Only family members and 1-2 very close friends will be there.

Thanks!
