Lorem Ipsum - April 17, 2021, 4:43 am

You are completely naked, in a room full of people, who all speak a different language than you. And as soon as people notice you, they want to touch you..

Plot Twist ([Click to View](#)) Yes. That's how it's like being a dog.

No, I did not come up with this joke. Feel free to share any good ones!

My three favorite things are eating my family and not using commas.

A Nobody - April 17, 2021, 4:52 am

Wait, is that considered a bad thing? I'd love to be naked and have everybody want to touch me.

A man gets on a bus, and ends up sitting next to a very attractive nun. Enamored with her, he asks if he can have sex with her. Naturally, she says no, and gets off the bus. The man goes to the bus driver and asks him if he knows of a way for him to have sex with the nun. "Well," says the bus driver, "every night at 8 o'clock, she goes to the cemetery to pray. If you dress up as God, I'm sure you could convince her to have sex with you." The man decides to try it, and dresses up in his best God costume. At eight, he sees the nun and appears before her. "Oh, God!" she exclaims. "Take me with you!" The man tells the nun that she must first have sex with him to prove her loyalty. The nun says yes, but tells him she prefers anal sex. Before you know it, they're getting down to it, having nasty, grunty, loud sex. After it's over, the man pulls off his God disguise. "Ha, ha! I'm the man from the bus!" "Ha, ha!" says the nun, removing her costume. "I'm the bus driver!"
