Apate - April 18, 2021, 8:10 am

SELLING HQ [BRAND NAME REMOVED] TRAFFIC/ADDS FOR YOUR SNAPCHAT EWHORING
NOW OFFERING BONUS MENTORING AND SNAP SCORE BOOSTING METHOD
WORKING AFTER RECENT UPDATES

After seeing many people struggle with their ehworing traffic, I decided to provide that service for you. I've got my own [BRAND NAME REMOVED] method that I've been using myself since [BRAND NAME REMOVED] started banning and shadowbanning accounts left and right. If you are an experienced chatter or simply want to start ewhoring without the hassle of traffic, I'm here to help. My clients reported profits of even 300-500usd just from the BASIC traffic option, so you can be sure the traffic is the highest quality.

About the Traffic:

- 100% Real [BRAND NAME REMOVED] users, HIGHEST QUALITY TRAFFIC YOU CAN GET
- Pick any specific location in US or even Worldwide
- Traffic is sent to a Snap/IG/other of YOUR choice(limitations of that below)
- Traffic is targeted for YOUR model, you provide me with pics I should use(non nude, high quality)
- All [BRAND NAME REMOVED] accounts are created manually. That means I'm able to provide any customization you want.(age, match range, age range, niche bio etc.)
- Spots for each 24h are limited, first come first serve. I'm happy to arrange long term partnership.

Limitations (Please read before purchase)

[BRAND NAME REMOVED] has started banning Snapchat usernames. When your username is burnt, I simply cannot post it on [BRAND NAME REMOVED] without getting shadow banned right away. That means I am only able to provide traffic for 'Fresh' Snapchat accounts. There are few tricks that I can use to post the same Snapchat username a few times, but there is a finite amount of them. When I use all of them for your Snapchat username, you have to move to another account.

- For a 'Fresh' Snapchat account I am able to provide total of 500-1000 adds before the username gets burnt, that has been tested on my own accounts.
- To ensure the highest amount of adds possible for a single Snapchat username, It's best to create one with few real words bunched together and maybe a name. Ex. smelltheroses, mollylikestofly etc.

- The precise amount of adds is dependent on few factors: Quality of your pics, Location, Saturation of the model/pack, [BRAND NAME REMOVED]'s mood. If you're using a highly saturated pack and all the time in the same location, your amount of adds will be lower and there's nothing I can do.

- The 'Fresh' Snapchat account should be boosted, amount of points you boost is up to you. Using a Snapchat account with 0 points will simply lead to people leaving or not adding you at all. If you don't know how to boost your Snapchat account you can buy such services on HF or ask me for a solution. For a small additional fee I can provide you a solution to boost it yourself.

- I'm able to generate 250-500 Snapchat adds in a 48h timeframe for a single username.

About me

I'm a first time seller and fairly new to the HF community, but I've been in the ewhoring buissness for over 2 years and not complaining about profits. I'm starting this service as a side hussle as it takes me less time to generate traffic than to work and I want to help those having problems.

Prices

BASIC: 100+ Adds delivered in around 24h - 65USD

PREMIUM: 200-300+ Adds delivered in around 48h -100USD

The amount of adds here is a low estimate, you are likely to get 50 more

Prices are a subject to change depending on demand

I accept BTC and LTC. All sales are conducted through Contracts.

Available discounts with long term partnership.

FREE BONUS

My every CUSTOMER will receive as a bonus:

- SNAP SCORE BOOSTING METHOD - Never again buy snapchat boosting. I will get you a method for boosting the points yourself!
- EWHORING HELP/MENTORING - Are you a beginner? Look no more for help! I'm here to answer all your questions about ewhoring on Discord and help your profits.

Over the course of 7-8 hours (it was depending on the timezone of the city) I received 110-120 adds. I can say this service works and would recommend it to guys that know wjat they are doing. Worth the money!

(Apr 22, 2021 05:18 PM)John Frusciantе Wrote: [\[CITE\]](#) Have received a vouch copy from OP and what can I say, the service was delivered as advertised, around 100 adds (maybe some more) in few hours. He is easy to work with, cool guy. I think only the 200-300 adds option is worth the cost per add so if you have to buy it I'd recommend going for that.

(Apr 22, 2021 04:19 AM)Paxton Wrote: [\[CITE\]](#) I bought the Premium option from the seller. He offered me a 10% discount for a review. So here are my thoughts.

I started recieving snap adds after 3h from finalizing the purchase. After 12h I had roughly 90 adds. As I'm writing this I have almost 140 adds and they keep coming steadily. Already made sales, more are on the way so traffic is good quality. He answered all my questions in a professional manner. Vouch for the seller.

Traffic Quality: 10/10

Yeah I legit have no words for this to be honest.

The traffic he provided is tier 1 quality, top notch for real. These guys that added me on Snapchat are DEFINITELY money ready that's for sure.

Have talked to a few of them without trying to sell anything because I don't want to start monetizing it right away.

Although, these people are horny and have their wallet ready that's for sure because they have been offering me this and that (not gonna go into detail)

Amazing quality.

Delivery Speed - 10/10:

I sent him what he needed, such as Snapchat username, name of the girl, age and location etc.

It took him less than an hour and the adds started to roll in extremely fast, not sure how this dude is doing it but he knows his shit that's for sure.

Within 12 hours I had over 100+ adds on my Snapchat and these guys are literally FLOODING my Snapchat with chats all the time.

Amazing speed that's for sure.

Prices - 9/10:

The prices of this service is extremely cheap if you think about what you get in return.

You can make your money back in no time that's for sure.

His prices are similar to what other sells hence the 9/10 (Nothing negative at all about that by the way)

But definitively worth it since the traffic is extremely HQ.

Overall - 9.5/10:

For the vouch copy he was gonna provide me 100 adds within 24 hours.

It took like around 12 hours and I had over 100+ adds, I am not kidding. This dude has some magical methods or something.

I have been reviewing a few [BRAND NAME REMOVED] Traffic Services here and I must say this is the best service I've seen so far.

Absolutely not sales trashing the other ones since they were awesome as well, but it's also a lot about what kind of girl you choose, and location etc.

But yeah, \$65 for 100 adds... You'll make those back in NO TIME if you know what you're doing.

Be sure to pick a nice location and a nice looking girl and you're gonna bank.

I will update this thread once I've made some money (Which I will)

This was my official review on this product / service for the vouch copy I received.

Note that I am in NO WAY affiliated, or a friend or anything like that with Apate.

This was MY honest review, if you don't have the same opinion, don't complain on me, we all have different opinions.

Thanks for letting me review it - Best of luck with sales!

why is your price more than a bot's price that can easily provide 1k+ adds a day tho haha, Is this for those people who are incapable of using a bot

Not all people know how to use such bots. Also with using a bot there's still work involved, managing it and solving problems that arise easily with [BRAND NAME REMOVED].

With using a [BRAND NAME REMOVED] bot there are the same problems as using [BRAND NAME REMOVED] for traffic manually, that is bans, shadow bans, snap username bans, bio wipes etc. If you don't know how to solve those problems, a [BRAND NAME REMOVED] bot won't help much.

My service takes care of all of those problems for you. It's a hassle free, problem free straightforward option. When you are an experienced chatter and making 100usd an hour, spending time on setting up the bot and solving problems related to it can cost you more money than simply writing to me with details of your account.

I'm not saying my option is the only good one, It's simply better for a certain type of customer. And I'm simply delivering what there is a market for.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
