This. He better get that red boy ?

its gotta be the Mickey generations the ones that started it all

Beherit - April 18, 2021, 4:59 pm

I want to change my vote from Vegeta to the Mickey Mouse one, mainly because of the value of it in the future. I'm betting on that one being the most valuable of the lot of them.

edit: im big vegeta fanboy

I voted for the végéta one mainly because it's glow in the dark, but it's between that and the stitch in the rocket could be a nice shelf piece

SIM-3609092 - April 18, 2021, 6:21 pm

Stitch is pretty dope. That's the one I would go with.

TB12 - April 18, 2021, 6:28 pm

I'm actually amazed Vegeta is winning against a large pop stitch and all generations Mickey.

SSGSS Glowing Vegeta!

Why?

1. I'm a Dragon Ball fan (yes, since Dragon Ball. Not Dragon Ball Z).
2. He glows, I mean.. how awesome is that?!
3. It's Vegeta, you clown! The coolness level of this Funko Pop is over 9000!

I rest my case.

sumguy14 - April 19, 2021, 12:07 pm

Vegeta is the best one zero! Don't even hesitate!
