Can i have a discounted vouch copy and i'll be fully reviewing the service

?urt - April 21, 2021, 8:07 pm

I would suggest lowering your pricing if you're hoping to get any sales. The majority of services offer 300 adds for \$100.

Giin - April 22, 2021, 4:58 am

I am interested in a vouch copy if you deem me reputable. Let me know, Thanks!

No services atm so not sure what you're talking about :) Next to none is selling [BRAND NAME REMOVED] traffic atm, let alone 300 adds for \$100

Ahahahaha you're really counting Swifter? ??

Yikes man, I thought you knew what you were talking about. The fact that there are open threads offering the service doesn't mean the service is up and working

Here is my review for the 90\$ pack :

First of all i want to say that im not here to demigrate him or trash post his topic , i will just say what i got from this deal :

After 3 days i got an account with almost 250 adds , almost 30-40 deleted me instant when i uploaded my first stories , not nude , and 20-30 never replied back

The adds were indeed from [BRAND NAME REMOVED] and from what location i wanted but sadly ALL THE ADDS were TEENS under 20 years old, i didn t managed to pull not even one single

payment even tho i use my own method and im doing this since a while , managing to pull a nice amount of \$ monthly , i was just looking for a new reliable source of [BRAND NAME REMOVED] adds also had a new undestaured pack.

When i told this to the OP he told me that my pack is the problem and nothing more :D started a new deal with another [BRAND NAME REMOVED] add provider useing exactly same pack same photos , managed to get 300\$ in just 2h since i got 140 adds :D

Im not looking for a refund or anything don t get me wrong, but sadly your ads are not HQ , are very LOW QUALITY

*If anyone thinks that im try to trashsale his post i still have the snap acc , i can make a video showing most of the adds first s chats where i ask how old are they and where from //

no, it was definitely your pack. even i wouldn't have swiped on the pictures or added the snapchat. You asked for a specific age range and it just didn't work. as i've stated many times and in my thread, model is key. if your model won't work then i will use my own that works for me. i did it and gained you 100 adds within a few hours. My only tip is, you should never use already created packs. Create your own that looks legitimate.

edit: i even went out of my way to enhance the pictures you provided to make the pictures look new, that also did not work.

I have updated the thread with proof that my services and method works. thanks.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
