**cuckboi123** - April 20, 2021, 11:14 pm

my online girlfriend posted my pictures to a bunch of swatters and low lives. They keep posting them on 4chan and other websites, what should I do to prevent getting swatted?

**test** - April 20, 2021, 11:26 pm

<https://www.seattle.gov/police/need-help/swatting>

**Hilfiger** - April 20, 2021, 11:55 pm

Swatting is very rare now. I wouldn't worry I also wouldn't believe it is a girl at all.

**Bilquis** - April 20, 2021, 11:57 pm

Stop sending her your pics and stop considering her your girlfriend, also I doubt she is a girl and sick and whatever she tells you she is.  
Cut her off, she'll get bored..

i was gonna lose my virginity

**618C** - April 21, 2021, 12:16 am

ignore her, remove her, change online accounts, overhaul your life and don't let them get to you.

just dont feed the trolls and it will die soon enough.

also never ever contact her again.

She's probably taken advantage of you, let go and find another one. If she is a girl at all, it would be a toxic relationship anyway.

Hope for the best. Always a chance of a gullible operator. I'd say you should move and change your name.

**neightworks.** - April 21, 2021, 5:59 pm

Sounds like it's time to release her nudes OP

**A +** - April 23, 2021, 6:50 am

This has to be a troll. This is like something from the 2014 funny pages.

**The Pact** - April 23, 2021, 4:24 pm

I thought it must be rare now because in 2012 people were talking about swatting each other every other day on Hack Forums. ? I laugh but actually at the time I thought it was really concerning because your wasting police time where they need to get to real emergencies and people could die because you're angry you lost a game on Xbox in 2012.

So maybe the police and courts brought in much harsher penalties for swatting?

Given the user name I guess it's a shtick lol. Another red flag is he says "my online gf" instead of my ex online gf. ?

**theghostofgreen** - April 23, 2021, 4:42 pm

Are you sure she was your online girlfriend?

**umbreon** - April 25, 2021, 3:57 pm

Gotta wonder what you did to this girl. Couldn't be unprovoked.

This feels like a post from 2015 or something like that

**LeetSpeed** - April 25, 2021, 7:53 pm
