3 of my go-to restaurants when going out with family and friends are [Restaurant Klokken in Copenhagen serving Danish Smørrebrød](#), [Kanagawa serving sushi and japanese dishes ad libitum](#) and [Ø12, which is a traditional "hipster" brunch café serving avocado toast etc.](#)

Before I moved from Texas I couldn't get enough of Texas Roadhouse

Beherit - April 22, 2021, 8:15 am

My favorite fast food joint is Wendy's and if you want a good sub in the US, try Cheba Hut; a sub-sandwich stoner restaurant.

Back in the day there was a Boston Market near me (closed down now) that place was BOMB af. I'll never forget that place. I'm sure they're still around these days, but man, I'd love to live near one again.

b?xxy - April 22, 2021, 10:52 am

BDubs is the shit, however, I've been feeling some fried chicken lately.

ghostboy - April 22, 2021, 3:20 pm

The last time that you brought up Buffalo Wild Wings I've been wanting to go back. I've been there once, and all I did was the Blazin Challenge. Usually I just go to Taco Bell, a tex mex place where you build your own burritos, or another Mexican restaurant. I'm all about some tortillas.

Alex J - April 23, 2021, 9:23 am

I like BWW, KFC and Mcdonalds

jfm-8 - April 23, 2021, 11:56 am

You see this is a sensible man right here

rsx - April 23, 2021, 12:06 pm

Honestly been eating way too much sheetz MTO food. They got a drive through at the one near me so I can order cheapish MTO food along with convenience items like caffeine lol it's just too convenient literally.

Depends we talking fast food or high class? Best meal I've ever eaten was at Chicago Cut. My go to fast food is Chipotle.

blackrose_x0x0 - January 3, 2022, 4:09 pm

Pancho's. It's like Chipotle but better. If you have one near you I definitely recommend trying it out.

Rionxee - January 3, 2022, 4:59 pm

The Capital Grille all the way. Lobster mac is to die for.

Unholy - January 3, 2022, 7:45 pm

Fast food wise, Popeyes for sure.

bevc - January 4, 2022, 12:28 am

I'm a vegan, so I don't tend to eat in the franchise places, but I got some definite favourite specialist places, I love me a burger and chips (fries).

John Lennon - January 4, 2022, 1:21 am

Best i've tried is "Formel B" in Copenhagen which is a very conservative Michelin Restaurants. Often the experience is about trying new and interesting things, but this one instead focuses on established courses with luxury items, such as caviar and truffles.

Best "daily" restaurant i've tried is a indian restaurant in Copenhagen called Columbia. I really enjoy spicy food, especially if it makes me sweat. They have a Butter chicken with a sauce that contains carolina reaper, the spiciest dish (as in, not just eating a whole chili) i've tried!

For american fast food i prefer KFC, but it's very very expensive in Copenhagen

618C - January 4, 2022, 1:26 am

can't remember my last visit to a restaurant. they are closed for 2 years now (with some short limited opening periods).

fuck covid

oRequiem - January 4, 2022, 2:22 am

Probably gotta go with Five Guys, just so damn expensive.

Truth - January 4, 2022, 2:32 am

Since McDonald's is pretty much everywhere, that is probably hands down the restaurant I ate at the most.

I do eat other places but just not as much since they are not as big.

Go McD :D

Crippy - January 5, 2022, 3:38 am

No fav restaurant; but I love a quick cheeky mcdonalds run :D

mk_0 - January 5, 2022, 10:34 am

I don't have a specific favorite restaurant, but most of the times, the independant tiny restaurants are the best (especially for pizza)
