A Nobody - April 24, 2021, 7:38 am

Age Range: 20-40

Gender: Male

Country: I prefer rock

Why do you wish to join Panthers? I want to see what my name looks like being a color besides piss yellow.

Why would YOU be a good fit for the group? How can anybody know whether they're a fit til they try something on?

In one to three sentences, tell us something about yourself: I hate the part of interviews where they ask you to tell them about yourself. I never know whether they want my experience, work history, or whether they want to know about my personal life. I don't want to tell potential employers about my personal life, I don't even want to tell coworkers about it!

Anything else you would like to say? Interesting contest, haven't seen these before so I like the idea.

Edit: Shit lol, my account isn't 3 months old.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
