Lavish Living - April 24, 2021, 4:05 pm

An Official Gambler's Tournament

For this official tournament, we are opening it up to all of Hackforums.
This tournament will feature NL Texas Holdem played on Poker Stars as a home game tournament (you must have 20,000 free play chips on your pokerstars account, just register a new account if you don't have enough chips).

Tournament Info:

Sunday, May 16th at 10am PST on Pokerstars
1st place will receive the Diamond of Gamblers award
2nd place tbd
3rd place tbd

How do you sign up?

- ALL Gamblers: 1 bytes buyin
- ALL non Gamblers: \$20 buyin
- Use the contract form found below, then post on this thread once you have paid.
- Any cancellations must be made at least 24 hours before the start of the tournament in order to receive a refund.
- Once you have paid you will be given instructions on how to register on poker stars for the tournament.
- If you own a PD already, you can not win another. Your prize will be covered by the buyins instead. You do not get to sell or grant the PD to someone else.

Zero - May 4, 2021, 9:47 pm

Guys don't forget to setup pokerstars BEFORE the tournament.

Every time we have new people that have big updates for the software or get confused on how to register in the app.

A Nobody - May 6, 2021, 6:46 pm

This is a pretty cool contest, I really like it.

Stanley - May 15, 2021, 10:59 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley
