Thread: [Selling 1 personal minecraft account for 8 usd \(full access account\)](#)

john - April 26, 2021, 12:18 pm

Hello everyone. It's been a while since I have been in here, used to play minecraft a lot but no longer can't. I own 2 personal accounts and decided to sell one of them for 8 usd.

So it's basically a full access account. You'll be able to change email, name, skin, security questions and password as you wish.

I can accept PayPal or btcoin.

Kinda new to the contract system but I'm obviously accepting it to deal on HF.

Greetings.
