There is so many skins including epics, its best you ask me if you have any questions or to show you!

If you need more info about acc let me know, or anything else!

Price:

250\$ or make offer!

Payment in BTC or ETH OR LTC

No paypal!

A good way would to show # of legendary skins would be to highlight the 'Baller' badge that requires 125 legendary skins to unlock, and shows progress within it.

Not interested in buying, but might help sell it if people also know if it has any dive trails (ranked masters/pred).

Good luck with sales man.
