Thread: [Suggestions for Gaming Tournament](#)

Sky - April 28, 2021, 3:05 pm

I'm looking to host a gaming tournament with a cash prize, others are free to chip into the prize pool.

Which game(s) would you guys like to play? Console or PC.

I'll list a few popular games in the poll for a general idea of which some people prefer here.

A Mortal Kombat tournament would be pretty dope imho.

I just installed it, before 11 the last time I played Mortal Kombat was Armageddon. It's pretty sick though, the story mode is awesome.

I like Liu Kang and Kenshi. I don't think Kenshi is playable in 11 though. :(

I'd be down to watch this tourney tbh, just don't play those games anymore.

MK would be fun as hell to watch :)

Most fighting game tournaments usually are. I saw some pro's playing MK11 and it was insane.

Fortnite/Warzone

Is pretty decent :)

That's 1 vote for Fortnite.

I'll be keeping track of anything mentioned that isn't listed.

I'd be willing to bet we have some decent Madden players here.

I still play NCAA 14 over new Madden. Its just SO bad and there's no depth.

Yeah exactly, I'm a franchise mode player and they wouldn't of added anything to the mode in 21 if the community didn't get pissed and make #fixmaddenfranchise the most popular hashtag in the U.S. for a bit lol

Yep, that was great. They still didn't really fix anything. I'm not buying Madden, FIFA, or any other EA game again until they get their shit straight.

MK11 no doubt, we need more violence and less CoD nonsense

Billy - May 10, 2021, 9:29 pm

You should try joining zLeague tournaments instead.

Warzone is where its at.
