He replied to a thread I made he sent a PM

Saying he could get me subs

In the thread it says a test is required so I know there legit and if they can't do a test MM

Well this is how that went

He then blocked me

After he told me to get a MM

Also he 0 repped me and said I was LQ because I wanted to use a MM

I literally said I could care less about using a MM, your the one afraid to lose \$40 lmao.

Please go learn english and stop wasting my time.

Lothario - April 28, 2021, 3:14 pm

You angry over a MM lol

And are you admitting I would of lost the \$40??

Obviously you can't comprehend any normal english person speaking, how does me saying you are scared to lose money imply anything more than that?

You are simply wanting free subs without paying, I told you to go message a MM and pay the fees. Use your brain idiot.

/thread.
