Thread: [Need Python Bot created](#)

White Hat - April 28, 2021, 4:00 pm

Need someone to create a simple python based bot.

Need to be able to buy something fairly quick & sell back. Similar to sneakerbot but hopefully much simpler. The site don't use captcha either.

We can discuss payment in PM.

[contract=tid]Start Contract[/contract]

PM me with the details.

I can get this done

I can handle this project very efficiently. Experienced in python. Can we discuss more on this here or on Discord - Ellis Ben#1566

Sounds easy, and I'll do it for a low price too.
