Thread: [orcus connection refused](#)

t=62n0487 - May 1, 2021, 4:12 am

hey this is my first time using this sort of stuff. i a youtube video by Omoshiroi Seikatsu called "orcus"

and did everything but when I try make a server it says connection refused . i turned off my firewall and virus security but it still did the same thing , can anyone help ?

Port must be closed. Try working within lan to make sure it works and then open port on server and try again.

campusminger - May 1, 2021, 5:38 am

why would you even use Orcus?

stop using cracked rats smh

naxster - May 1, 2021, 7:10 am

Just stop using Orcus mate...
