Thread: [MODERN WARFARE UNLOCKS - CAMOS *DAMASCUS/DM ULTRA/OBSIDIAN* \\$20](#)

Liam - May 2, 2021, 1:58 pm

All camos available, Gold, Platinum, Damascus, DM ULTRA, Diamonds, Obsidian

CW blueprints cannot be saved at this time, but I can DM ultra your current class CW weapons which will stick

All camos to MW weapons can be saved as blueprints, DM ULTRA, DAMASCUS and every other camo

Apply DM ULTRA to your MW weapons, DAMASCUS to your CW weapons

*Unlock Gold, Platinum, Damascus, DM ULTRA

*Unlock Damascus on CW weapons

*Unlock DM Ultra on MW/WZ weapons

*Unlock CW Diamonds on MW/WZ weapons

I will apply any of the above to your existing classes, these will remain on your class, all attachments can be changed

You will lose camo if you change it

(Happy to reapply for free if this happens)

\$20 for the above.

I will apply DM Ultra to all your MW/WZ weapons and save them as blueprints.

Same with DAMASCUS and other camos such as Obsidian, whatever camo to whatever weapon as a blueprint, every weapon.

You will not lose blueprints, nor the camos.

The choice is yours.

\$40 for the above.

Pay \$150 for other services offering DM ULTRA as a hard unlock, or pay \$40 for every weapon with DM ULTRA (any camo) as a blueprint with my services

I know what I'd be choosing!

I can apply any calling card you want for free, ambassador, any rare calling card with any deal done, these will stick until you change it

BTC only

Please note that using any services like this pose a risk, this goes for zombie lobbies which provide levels, gun attachments and any other methods for a fast fix, I believe my price is fair in this regard, a fresh account is suggested (this requires the very first camo for whatever weapon you want done)

Although can apply to a main if wanted, that being said I have had 0 bans

Might be a dumb question but does this include the weapon level unlock? Or just the camos?
Thanks

Just camos thanks!

(May 3, 2021 02:16 AM)Cantaloupe Wrote: [\[CITE\]](#) Because those services actually do hard-unlocked camos and what you are providing is basically a duplication service. The camos aren't actually unlocked, they are just modded onto your custom classes.
Youre correct

Duplications act like any other weapon be it hard 'modded' unlocked or not, all weapons will be available with chosen camo as a blueprint thanks!

People can choose to pay \$150 for a hard unlock, or pay \$40 for my service and receive the same camos as a \$150 provider as a duplication "blueprint"

I will give and apply any camo you like (DM ULTRA, DAMASCUS, DIAMONDS, GOLD, OBSIDIAN etc) to your existing, already made class setups for \$20

For \$40 I will apply any camo, (DM ULTRA, DAMASCUS, DIAMONDS, GOLD, OBSIDIAN etc) and save them as blueprints for every single weapon

Any other questions feel free to message me onsite or add my discord in original post, thanks

Reticle unlocks now available!

Bankrupt - May 15, 2021, 6:05 pm

this actually isnt the worst deal as real DM ULTRA packages that dont get banned are closer to 300\$ USD.

Liam - May 18, 2021, 9:47 pm

I can now unlock anything in the store, this includes store blueprints, operators, everything!

All camos, dont need your weapons levelled for this

\$20 for current classes/loadouts

\$40 and I save whatever you want as blueprints (this stick and will not disappear)

I know a legit trusted place that sells accs and they have damascus and dark matter unlocked for \$120 they jus gave a code too for 50 off. Copped one and its literally a fresh acc with the unlocks.

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.
