VoUcH CoPy?

Just kidding, good luck with sales. This is very interesting to see here. Very niche but if you have a product/brand I could see the use out of this.

To anyone wanting to purchase, make sure you that you get adequate proof and use a middleman. Account is < 6 months old, avoid getting scammed.

GLWS i've seen this exact thread being posted elsewhere and can say I would love to see someone order this. Definitely worth looking into getting a Middleman or vouch copy beforehand, considering OP is very new to Marketplace.
