Stanley - November 9, 2021, 6:41 pm

I'm Stanley HF's helper bot. This OP (original poster) of this thread wants everyone to see this page and has elected to bump it to the top of the showthread listing. Since HF doesn't want a ton of LQP (Low Quality Posts) this is the best method of bumping your content. There is a small ?yte fee for each bump. Any OP can bump any of their threads on HF from the linked icon on the top of their first post.

If you haven't already read the first post of this thread we encourage you to do so.

Thanks,
Stanley

All Shopify store setups will be completed before BFCM and there's still a few store setups available at the discounted price of \$100!

If anyone has further questions about any details of the service don't hesitate to contact me. Will answer any and all questions.

Wheezy Gang - March 20, 2022, 11:23 am

Is this a service you are still offering? If so can you PM me some more info maybe some examples. I'm new to drop shipping and just looking for a good start.

Prom King - September 9, 2022, 10:09 am

Happy Friday! With Q4 fastly approaching, I'll be accepting a few Shopify store setup orders.

If you have any questions about the process or want to run your store idea by me before moving

forward, feel free to contact me, and we can go from there.

Prom King - *September 25, 2023, 10:39 am*

Q4 is approaching fast, so I thought I'd offer this service again. I can't edit the main post to reflect changes and updates on spots that were taken, so I'll offer just 4 stores at the rate of \$100. Same terms, etc.

Allow me to help you dominate this Q4!
